

Dear Community Partner:

Beachwood 100 invites you to join a group of select corporate sponsors to show your support for the Beachwood Safety Forces.

Beachwood 100, a not-for-profit organization, was founded in 1969 with the mission to raise funds to aid the police and fire safety forces of the City of Beachwood in time of personal emergencies. Beachwood 100 recognizes the dedication of our safety forces that serve to protect the citizens of Beachwood 24 hours a day, 365 days a year. When unforeseen personal emergencies occur, the organization is ready to assist the city's safety forces and their families with loans or donations. In addition, the organization has purchased safety and fitness equipment for the forces, and annually provide collegiate academic scholarships to children of our Police and Fire Department personnel through a scholarship award ceremony in April of each year.

Sponsorship allows for a way for individuals and businesses to give back and support the Beachwood first responders that put Beachwood residents and businesses first every single day.

Corporate sponsors, as distinguished members of our community, are invited to join us in supporting the annual scholarship event to help present an evening of dinner and scholarship awards on May 2, 2024 at the Beachwood Community Center. This event is attended by city officials, members of the safety forces, and Beachwood 100 members from the community. By becoming a sponsor, your commitment will be showcased to businesses and residents as our Beachwood community comes together.

Enclosed you will find sponsor opportunities and benefits. Please do not hesitate to call us with any questions or suggestions. You can reach Ivor Kiwi at 216-544-1408 or [ivorkiwi@yahoo.com](mailto:ivorkiwi@yahoo.com).

On behalf of Beachwood 100, we thank you for your consideration!

Sincerely,

*Beachwood 100*
