

Dear Community Partner:

Beachwood 100 invites you to join a group of select corporate sponsors to show your support for the Beachwood Safety Forces that serve to protect the businesses and citizens of Beachwood.

Beachwood 100, a not-for-profit organization, was founded in 1969 with the mission to raise funds to aid the police and fire safety forces of the City of Beachwood in time of personal emergencies. The organization assists the city's safety forces and their families with emergency loans or donations, as well as purchasing safety and fitness equipment for the forces, and annually providing collegiate scholarships to children of our Police and Fire Department personnel.

Sponsorship allows for a way for individuals and businesses to give back and support the Beachwood first responders that put Beachwood residents and businesses first every single day.

**As distinguished members of Beachwood's business community, we invite you to join us in supporting the annual scholarship event to help present an evening of dinner and scholarship awards on May 11, 2026 at Hecks Restaurant in Beachwood at 6:00 PM.**

**The event is attended by city officials, members of the safety forces, and community members. As a sponsor, your commitment will be showcased to businesses and residents as our Beachwood community comes together. This program recognizes the children of Beachwood's first responders as they commence their college journey.**

Contact Ivor Kiwi at [ivorkiwi@yahoo.com](mailto:ivorkiwi@yahoo.com). Sponsorships can be submitted at [www.beachwood100.org](http://www.beachwood100.org) or to Beachwood 100 at 25325 Fairmount Blvd. Beachwood, OH 44122.

On behalf of Beachwood 100, we thank you for your consideration!

Sincerely,

*Beachwood 100*
